

```
const f(x, y) => x + y;
```

```
const two = f(1, 1);
```

```
const greet = f('this', 'that');
```

```
const wat = f('a', 1);
```

STATIC TYPES

A black and white photograph of a busy city street at night. The street is illuminated by streetlights and the glow of shop windows. On the left, a Deaigual store is visible. On the right, a THE BODY SHOP store is visible. Pedestrians are walking on the sidewalks, and tram tracks run down the center of the street. The overall atmosphere is urban and vibrant.
